## ... This year ...

... in the 1957 Hornet we bring you a glimpse of life at Herndon High. This is not merely an academic picture; rather it is a picture of the school known only to those of us who have lived its friendliness, its warmth, and its boundless enthusiasm. We hope it is a portrait of the intangible spirit that permeates our school, of the friendliness that carries us between classes with a cheerful "Hello," of the enthusiasm that warms us during those frosty fall afternoons as we root on our heralded Hornets, and of the welcoming spirit that greets the 8th graders with a smile as they first enter H. H. S. It is this spirit of friendliness and cooperation that have made our small task of bringing you this yearbook such a happy one. It is with the greatest pleasure that we give you your yearbook, a recollection of your Herndon memories. This book is ours only in the sense that we were the ones to write these words; it is really yours, for you are the Herndon student who has lived these pages. You are that frenzied scholar struggling over those flasks in chemistry lab, you are that cheering individual at the pep rallies, you are that happy person who lived the fun at Herndon. And so we give you your book, a composite picture, we hope, of your days at our high school . . .

# **ADMINISTRATION and FACULTY ...**

**Mid the Hills of Herndon

#### **MR. DOUGLAS V. EVANS**

The continual smile on the face of our Principal symbolizes his sunny disposition. He is always ready to help a student in trouble. His willingness to give advice and guidance on any of the numerous problems which confront High School students is proof of his untiring effort to help young people get ahead.

*Douglas V. Evans*

#### **MR. DUDLEY PAGE**

A familiar sight at H. H. S. is Mr. Dudley Page and his reprimanding hand. Our Assistant Principal, stalwart and strong has undertaken a burden suited to his capabilities. He has done well at his daily post as the law enforcement segment of our faculty. He is the pivot point of all the activities at Herndon High . . . this is our Assistant Principal, Mr. Dudley Page.

**MRS. HELEN TRUCKSESS  
AND  
MISS EMMA ELLMORE**

When in a time of need, the students of H. H. S. are usually found in the Guidance office, seeking the help of either Miss Ellmore or Mrs. Trucksess. Always ready with an encouraging word and friendly smile these two teachers are looked upon as competent and helpful friends.

*Looking forward to seeing you  
at least 4 more years!  
Helen E. Trucksess*

**MRS. JOSEPHINE RUTHERFORD**

Mrs. Rutherford is the teacher who, although seldom seen in the classroom is very necessary. It is her job to visit the home of the truant student. She also offers a helping hand to all the needy children who attend H. H. S.

# Seniors . . .

SENIOR CLASS OFFICERS: Esther Rollins, President; June Martin, Secretary; Allen Dean, Treasurer; Elmer Curtis, Vice President; Butch Dudley, Parliamentarian

Many plans and dreams fulfilled, many yet to come, the seniors are looking forward to greater things. Remembering happy and mischievous events, we chuckle thoughtfully to ourselves and look on toward tomorrow.

We watched that last football game . . . we've read our last Broadcast . . . we saw the empty halls, the litter in the gym after the final Basketball game . . . we've attended our last Prom . . . our last class meeting. We'll remember . . . and year after year as one class leaves only to have another take its place . . . they'll remember.

Plans for the prom were underway early in the year as the Junior Class had their first meeting and decided to ask permission to sell Christmas cards, hold bake-sales every Tuesday and to have concessions at the basketball games. The necessary money needed was raised in this way and the Prom for 1956-57 was a big success. Other than plans for the prom, a trip to New York was worked toward and this goal is hoped to come into realization in their Senior year of 1958.

If there is a period of time which seems to be a pause in one's high school life, it is the year when one becomes a Sophomore. Being neither upper nor underclassmen, they seem to stand alone and dream of the day when at last they will reach the Junior class and become upperclassmen. Then too they will no longer have to be studying second year Algebra or second year Latin or Spanish, but they may start in anew and learn new subjects never had before.

The Freshmen class is well into the swing of becoming high school students. Deciding upon a curriculum and planning the next four years of school life was a new and exciting experience to them. Although an introduction was made in the eighth grade, it was still a giant step from being a grade school student into becoming a full fledged high school student.

## J. V. Cheerleaders . . .

Standing left to right: Pat Higgins, Casey Carey, Virginia Anderson, Charlotte Leith, Co-Captain; Tamara Nichter. Seated: Sally Helm, Captain.

The tension is mounting; the crowd is on the edge of their seats. The noise is deafening at half-time in the game. The cheerleaders rustle out on the floor, cheering wildly.

"Satisfied?" they ask.

"Satisfied," replies H. H. S. School spirit soars. These are memories we shall cherish forever.

Our favorite cheers will echo in our ears, shouted by the chosen few. We salute Sallie Helm, the Captain; Charlotte Leith, Co-Captain; Casey Carey, Tam Nichter, Ginny Anderson and Pat Higgins.

We shall reluctantly leave H. H. S. soon and years from now remember the fun we've had together. We shall never forget those pep rallies in the rain, the late snack at the Nest, the games, win or lose.

We salute the Cheerleaders!

#### FOOTBALL

Though our boys had a tough season in football this year we have no regrets, knowing they played good ball and gained valuable experience. The Hornets had a hard time, only coming out on the long end of the score twice but playing hard and showing great sportsmanship.

The Hornets won our first game with Warrenton on September 14 and the October 13th game with Loudoun. We're sure they remembered that familiar chant, "we're behind you team, we're backing you up . . ." knowing it expressed the sentiments of every H. H. S. student.

After producing a team such as last year's we expected plenty of action from our boys this year . . . and we got it. Having to follow the team that went to State, was a pretty big challenge, and they did a wonderful job. Their coach, Mr. Ray Rolley, drilled his team to the point of irrationality and put them into some grueling games. They did a fine job for H. H. S.

Combined with excellent school spirit and a will to win, the games, each and every one, were of premium quality. Five great guys working together as a team leave us with memories we shall cherish forever.

## HOMECOMING . . .

The big day dawned dark and drizzly. The weather was not cooperating with the plans of Hern-don High for a parade and football game on October 6. The parade got under way with all participants sniffing and shivering in the cold, drizzling downpour. Despite the weather there were many gaily decorated and very beautiful floats in the parade. The Volunteer Fire Departments were also very well represented, and two bands, from Hern-don and Garfield, provided the music. The first prize float went to Floris Elementary School; the float with the theme "A Typical School Day." One of the most beautiful floats in the entire parade was the one which carried the queen, Dixie Simpson and her court. Unfortunately, absent from the court

was the Maid of Honor, Casey Carey, unable to at-tend because of an accident.

After the parade came the game. The weather continued to be obstinate, as did the Garfield In-dians. There is only one word for the game—sad!

The day was climaxed by the dance at 9 P.M. That gala affair held in the new gym was a beauti-ful array of swirling dancers with the girls in billow-ing dresses, the whole effect blended together by the good music of the Goose Creek Country Club Band.

The dazzling queen, Dixie Simpson, was crowned by Kent Sasher, and gracing her court were the class princesses.

Homecoming with all its drab weather, was a real success!

So crisp and fresh on a soggy day

## SWEETHEART DANCE . . .

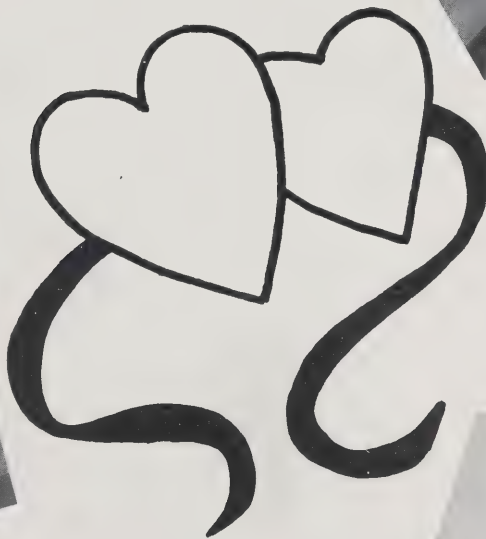

The shimmering array of net and chiffon dresses, floating under a blue sky sprinkled generously with stars . . . the soft dreamy music of the Downbeats . . . this set the festive mood for the Sweetheart Dance of 1957.

Adding to this atmosphere was the crowning of Bev Moffett as Herndon High's Sweetheart of '57. For many, the climax of this dance will be the picture, stamped in their minds, of Bev dressed in white, standing before a red heart with lacy edging and a gilded arrow.

Truly, never to be forgotten . . . the Sweetheart Dance of '57.

## THE HONOR SOCIETY

The Honor Society has had a very prosperous year in 1956-57. The first semester, sixteen new members were accepted into the society boosting the membership to a total of 25 for the half year. The Christmas Dance (Santa's Swing) was sponsored jointly by the S.C.A. and Honor Society for the purpose of raising enough money to send an additional boy and girl to Boy's and Girl's State. A talent show was sponsored by the society on January 30, as a money making project to add to the scholarship fund.

## S.C.A.

The Student Co-operative Association was formed for the main purpose of promoting the general welfare of this school. In this association the members learn something of democratic procedures and provide opportunities for participation in school affairs.

So far this year, the S.C.A. has sponsored a Christmas Dance with the Honor Society, decorated the school Christmas tree, and sponsored a drive for food and clothing for a needy family. Also again this year the March of Dimes Drive was undertaken by this organization.

The Hornet staff of 1956-57 has tried to make the yearbook the biggest and best ever. Many hours after school were spent organizing and working on the annual. It was decided during the summer that the theme would be on the Alma Mater. This is the first time in several years that the yearbook has had a definite theme, and although it entails more work and money we feel that it really will leave a pleasant memory for the students.

## THE BROADCAST

In 1956-57, the goal of our school paper seems to have been, "the more the merrier." From a meager beginning of four pages it was worked up to an eight page edition which was very newsy and thoroughly enjoyable. A good exchange program was worked up with other schools and papers, this was very beneficial to all of the staff members.

# Dramatics Club ...

## DRAMATICS CLUB

Through the Dramatics Club many students who have an interest in acting have an opportunity to gain knowledge and develop talent. But acting is not all. The techniques of setting a scene, making up the players, and lighting the stage are all a part of Dramatics. By being a critic and just watching, we learn. The Club has enjoyed a very successful year with the guidance of Mrs. Kathleen White and Mr. Henry Mann. The major productions of the school season were the three one-act plays and the annual three-act presentation.

# Debate Society

## DEBATE SOCIETY

Since the Debate Club was organized in the fall of 1954, its membership has doubled. The meetings are held only once a month but practice debates are carried on at this time. The broad current topic is "What Agricultural Policy Will Best Suit Our Nation?" In taking part the debaters learn more about debating procedure, public speaking, and the current debate topic which is usually an international crisis. The Herndon Debate Club is a member of the Northern Virginia Debate League. In the spring teams who have won the most debates are sent to a State Tournament.

Dance contest, instruction, and dancing on your own is carried on at the meetings. The music is provided by records. During the winter the Dance Club attempted to sponsor dancing lessons. The teachers were from Arthur Murray's.

# Glee Club . . .

## CHORAL MUSIC

Under the direction of Mr. Philip Lester, the Glee Club enjoyed a most successful year. With more boys than ever participating, the club reached an all-time high in membership. Meeting every Monday (rather than twice monthly as in previous years) greatly helped in the preparation of our Christmas program. As spring drew near, thoughts turned to graduation and the Glee Club and Chorus was soon hard at work on music for the year's biggest event.

The Library Club was formed for the main purpose of improving the reading facilities offered in the high school, elementary school, and town library.

This year, the Club has sponsored an assembly program during National Book Week in November when a local author, Miss Marion King, spoke; and, a Book Fair where many of the latest books were on sale. The profits of this sale were used to buy new books for the high school and elementary school libraries.

The club anticipates taking a field trip later this year to a publishing company.

## Future Teachers of America . . .

### F.T.A.

The F.T.A. with the help of Miss Ellmore and its officers have accomplished much this year. Although it is a new organization it fell into full swing with the rest of its national chapters. The meetings are only held monthly but this enthusiastic group works hard and uses this time to their advantage. The purpose of the club is to learn more about its opportunities and responsibilities and its important role in our democracy. In the fall the group went to Maderia School, which is privately owned. Then during the spring they went to Mary Washington College. Both trips were taken to see the advantages and disadvantages of teaching in this particular field. As the main objective of the club they have rendered their services in the elementary and high school when they were needed.

The F.H.A. trains the girls in all phases of home life to be efficient homemakers of the future—girls that otherwise might not get this training at home. The young homemakers receive invaluable lessons in sewing, cooking, family relations, and other subjects related to the home and family. It is not all work and no play, though. They plan parties, dances, and liven up the meetings with singing and games. So, we see that the Future Homemakers of America are building skills that will last a life time.

### THE STAMP AND COIN CLUB

The Stamp and Coin Club had a full schedule this year. At the end of the last year the money collected in dues went to buy a stamp album for the club. All members whether they are primarily stamp or coin collectors participated in working on this album.

There are more stamp collectors than coin collectors but the club runs very smoothly. Each meeting, members bring in parts of their collection to share with the club.

The purpose of this organization is to further athletics within the school. In the early spring many boys went through the dreaded week of initiation but later beamed proudly at the annual Varsity Club Dance. This was a gala affair attended by a large number of the student body.
